ORDERING PROCEDURES

1. Order Form

State agencies shall use a Contract/Delegation Purchase Order (Std. 65) for purchases and services.

Local governments shall, in lieu of the State's Purchase Order (Std. 65), use their own purchase order document.

Electronic copies of the State Standard Forms can be found at the Office of State Publishing web site: <http://www.dgs.ca.gov/osp> (select Standard Forms). The site provides information on the various forms and use with the Adobe Acrobat Reader. Beyond the Reader capabilities, Adobe Acrobat advanced features may be utilized if you have Adobe Business Tools or Adobe Acrobat 4.0 installed on your computer. Direct link to the Standard Form 65: <http://www.osp.dgs.ca.gov/pdf/std065.pdf>

2. Purchase Orders

The agency is required to forward a copy of each purchase order to the Department of General Services (DGS), Procurement Division, Data Management, 707 Third Street, 2nd Floor, West Sacramento, CA 95605-2811 (IMS# Z-1).

The agency is required to complete and distribute the order form. For services, the agency shall modify the information contained on the order to include the service period (start and end date), and the monthly cost (or other intermittent cost), and any other information pertinent to the services being provided. The cost for each line item should be included in the order, not just system totals. See the CMAS Services Guide at www.dgs.ca.gov/pd (click on CMAS) for guidelines pertaining to all orders for services.

The contractor must immediately reject orders that are not accurate. Discrepancies are to be negotiated and incorporated into the order prior to the products and services being delivered.

3. Service and Delivery after Contract Expiration

The purchase order must be issued before the CMAS contract end term expires. However, delivery of the products or completion of the services may be after the contract end term expires (unless otherwise specifically stated in the contract), but must be as provided for in the contract and as specified in the purchase order.

Also, purchase order amendments cannot be issued to add products or services if the CMAS contract end term has expired.

4. Multiple Contracts on STD. 65 Order Form

Agencies may include multiple CMAS contracts from the same contractor on a single Std. 65 Contract/Delegation Purchase Order. For guidelines, see the Purchasing Authority Manual, Chapter 6.B4.1.

5. Amendments to Department's Purchase Orders

Management Memo 03-10 provides the following direction regarding amendments to department purchase orders:

Orders for IT Goods & Services or Non-IT Goods:

Original orders, which include options for changes (e.g., quantity or time), that were evaluated and considered in the selection for award during the Request for Offers process, may be amended consistent with the terms of the original order, provided that the original order allowed for amendments. If the original order did not evaluate options, then the NCB process must be followed for the amendment.

Orders for Non-IT Services:

Original orders, which do not include options for changes (e.g., quantity or time), may be amended. This only applies to the first amendment, the time shall not exceed one year, or add not more than 30% of the original order value, not to exceed \$250,000. The original contract must have permitted amendments. Outside of these conditions, the NCB process must be followed.

Also see the Purchasing Authority Manual, Chapter 8, Topic 7, for more information on amending purchase orders.

CONTRACT PRICES

Contract prices for products and/or services are maximums. The ordering agency is encouraged to negotiate lower prices.
